

## Fairview Summer Rec League Meeting

November 3, 2024 held in Lauren's classroom at 7pm

All board members present: Josh McCann, Lauren Hurtig, Krista Ankney, Holly Coolman

Financial Report is the same as last month.

Secretary Minutes were read. No additions or corrections. Passed unanimously

### Old Business:

-Krista looking into baseball prices and ordering new equipment. Only have 10 tees that fold and don't work well for tball. Move those 10 tees to PW-12u teams. Order more tees, nets, baseball catcher's equipment, baseballs, and softballs. May need a couple sets of umpire gear. Allow Krista to make equipment purchases

-Holly met with Hoepfner about the Woodburn website where they have registrations and all league info. Will look into setting up a website and try to get it going.

-Kaitlyn Dumire gave a list of helpful names on Instagram/Facebook with helpful coaching videos with drills. 8U- basic fundamentals of hitting off tee and throwing/transfers. Vision for rec ball: 45min-hour radius for games, make it an elite rec league, keep ALL KIDS involved, set reasonable team goals, it's OK to face the team that may beat them. Parents need to be involved, even at practice to keep stations moving. 1 or 2 practice previews where Coaches come watch HS practices (2 separate dates) The goal should be to play on the HS field as a High Schooler. Focus on 8u, 10u, 12u. (7:30-8:10)

-Mike Ramirez from Defiance League (board member) came to talk about the league and find out the reasons we didn't join the league in 2024 and hope that we can come back. (8:15-8:39)

-Lauren is going to reach out to Coach Singer about coaches coming to a couple practices to get drill ideas

-Krista is working on jersey quotes from different area businesses

-may want to implement a coach's meeting to go over rules and give list of "standards/fundamentals" to work on

-set up meeting to just do by-laws-

-meet again in December to nail down dates and other details on the New Business list

Next meeting is set for November 17<sup>th</sup>.

Motion to adjourn made by Holly, 2<sup>nd</sup> by Josh
